2 X Heavy weight cardboard squares (250GSM) cut to 11 cm X 11 cm

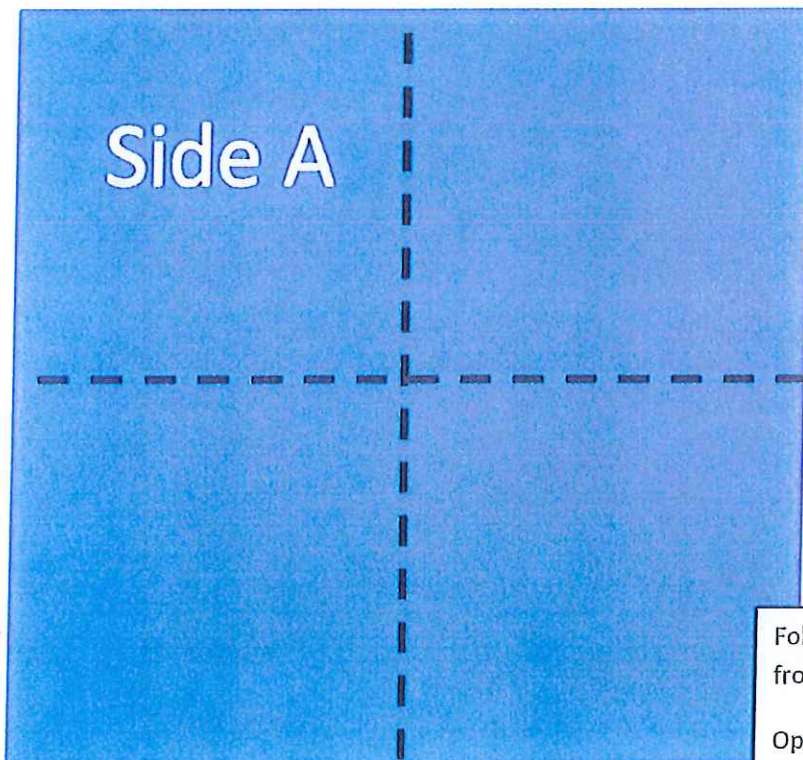

3 x Coloured card (approx. 135gsm) cut to 21 cm x 21 cm

2 x Wrapping paper squares cut approximately 18 x 18 cm

STEP 1.

To start with take your 3 squares of coloured paper.

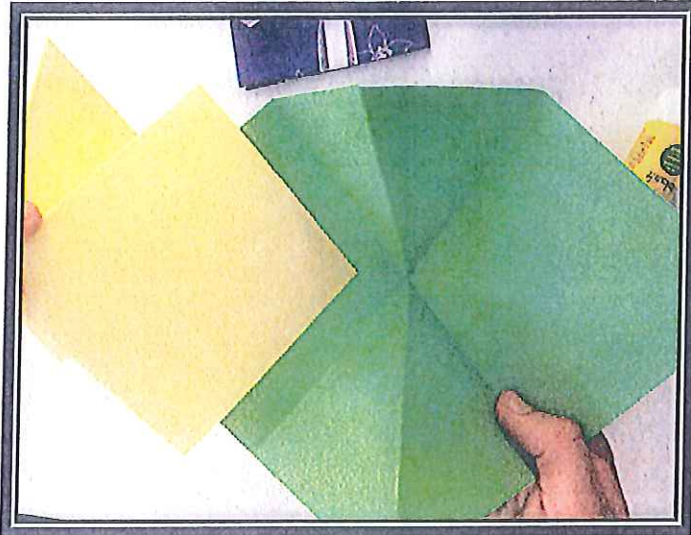

Fold your coloured paper in half from left to right.

Open flat again.

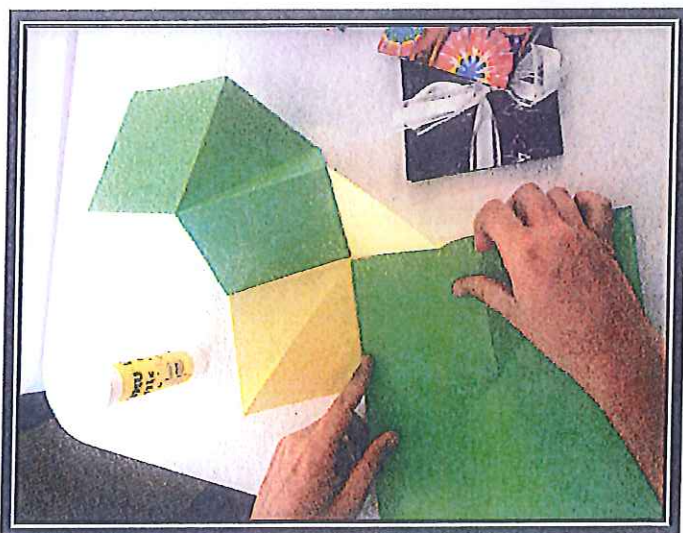

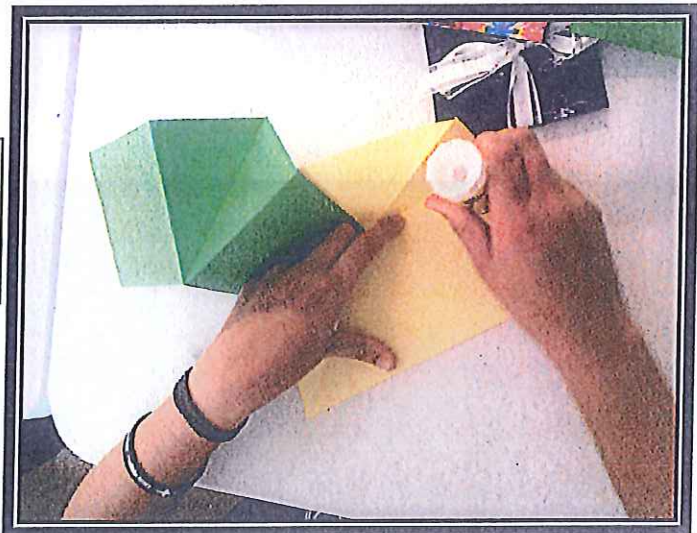

Fold again in half from Top to Bottom.

Repeat this on all 3 pieces of your coloured paper. Attach the bottom square of one colour paper to the
Then glue your 3 coloured squares together, to form the inside pages of the mini album.

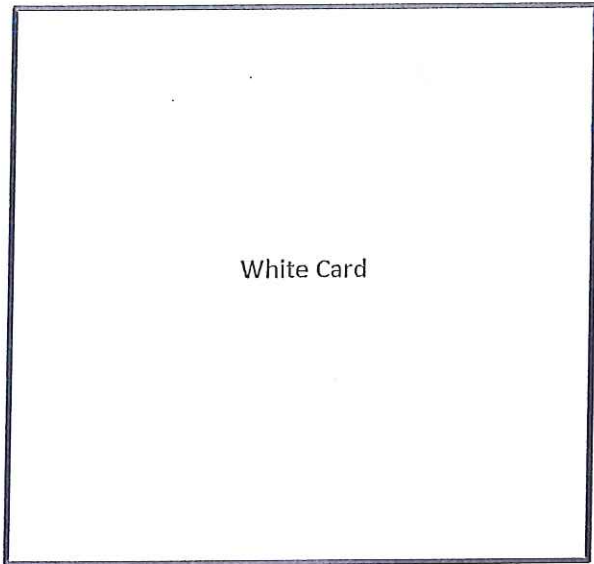

The top square of one coloured quarters square will glue to the bottom piece of another coloured quarter square. This allows for them to all fold into each other.

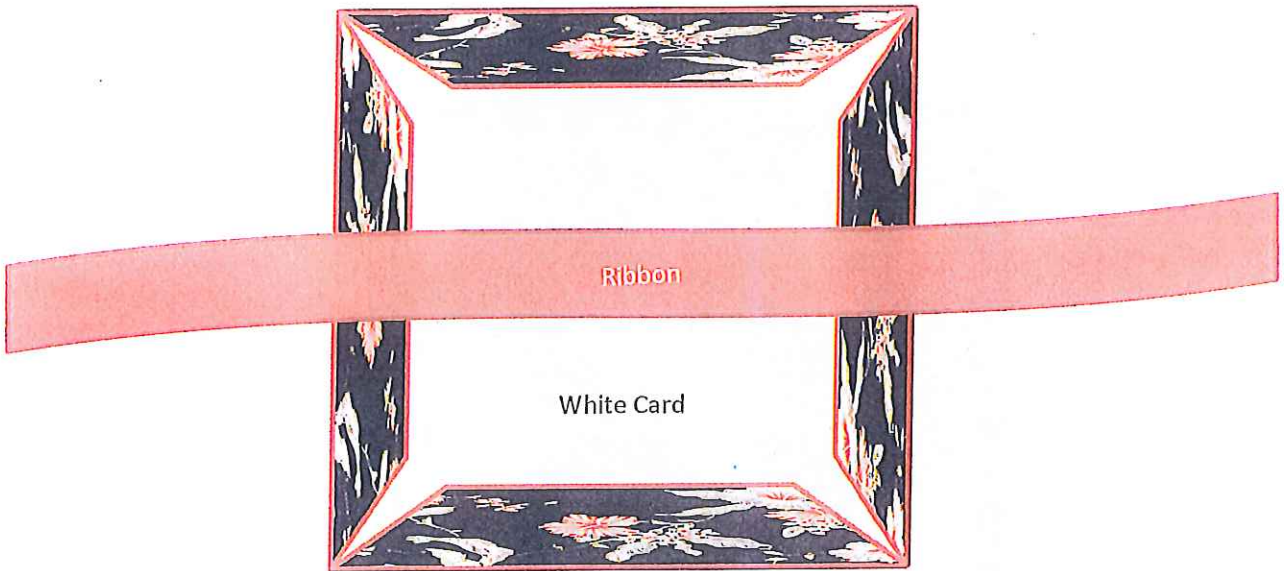

Glue the top square of third piece of paper to the bottom quarter square of the middle piece of paper.

STEP 2.

Cover 2 pieces of white cardboard with whatever wrapping paper designs you like.

On the inside of one of the pieces of card, attach a piece of ribbon using double sided tape.
